MASSACHUSETTS TRAFFIC STOP DATA COLLECTION BOOK

INSTRUCTIONS

Participating departments must complete a Data Collection Form for every motor vehicle stop and for every officer initiated interaction with a motorist.

The forms are required for stops and interactions with operators of motor vehicles as defined in Massachusetts General Laws chapter 90, section 1. The forms are not required for stops and interactions with operators of motorized bicycles, motorized scooters, recreational vehicles, and snow vehicles.

The forms must be completed regardless of whether or not a motor vehicle citation is issued.
